soon we will know the names of the finalists who will participate with their stand at the seventh edition of the Global Junior Challenge 28-30 October 2015! We remind you that beyond the results you obtained are all invited to the event. The Global Junior Challenge is a great opportunity for schools, young people, innovators and artists to get in touch, to see the projects and have fun together! We wait for the day of exposure October 28 to 29 at the Fondazione Mondo Digitale, Via del Quadraro 102, 00174, Rome. There will be many beautiful innovative projects, workshops and a free Hackathon to which you can subscribe:
