---

## Project Location

**Country:** Brazil

**City:** Rio de Janeiro

## Organization

**Organization Name:** Centro Educacional Nosso Mundo

**Organization Type:** Private Institution

## Website

<https://perbosc007.wixsite.com/2016aip>

## Privacy Law

Consenso al trattamento dei dati personali

**Do you authorize the FMD to the treatment of your personal data?:** I do authorize the FMD to the

## Project Type

ICT for environmental sustainability

## Project Description

**Description Frase (max. 500 characters):**

Students from America, Asia, Africa and Europe celebrate the International Year of Pulses 2016

**Project Summary (max. 2000 characters):**

The project aims to heighten students awareness of the nutritional benefits of pulses as part

of sustainable food production through 5 key messages:

1. Pulses are highly nutritious
2. Pulses promote biodiversity
3. Pulses have important health benefits
4. Pulses are economically accessible and contribute to food security at all levels
5. Pulses foster sustainable agriculture and contribute to climate change mitigation and adaptation

## How long has your project been running?

2016-09-01 00:00:00

## Objectives and Innovative Aspects

IYP 2016 aims to increase awareness of pulses globally, and to increase demand, utilization, and production of pulses worldwide. From small seeds, the students were able to grow their scientific knowledge, linguistic and cultural skills, creativity and openness to the world using new technologies of communication.

## Results

**Describe the results achieved by your project How do you measure (parameters) these.** (max. 2000 characters):

The students  
eTwinning  
growing j  
encourag  
students  
their cont

**How many users interact with your project monthly and what are the preferred forms of interaction?** (max. 500 characters):

More than  
them were  
needs ins

## Sustainability

**What is the full duration of your project (from beginning to end)?**: Less than 1 year

**What is the approximate total budget for your project (in Euro)?**: Less than 10.000 Euro

**What is the source of funding for your project?**: Grants

**Is your project economically self sufficient now?**: No

**Since when?**: 2016-09-01 00:00:00

**When is it expected to become self-sufficient?**: 2017-09-01 00:00:00

## Transferability

**Has your project been replicated/adapted elsewhere?**: No

**Where? By whom?**: The United Nations declared that 2016 will be the International Year of Pulses. Many organizations participated to this event

**What lessons can others learn from your project? (max. 1500 characters):**

An International Year de  
and to celebrate the role  
galvanizing moment to c  
health, nutrition, and su  
Healthy Planet!

**Are you available to help others to start or work on similar projects?:** Yes

## Background Information

**Barriers and Solutions (max. 1000 characters):** yes

**Future plans and wish list (max. 750 characters):** The special needs students of Centro Educacional  
international projects with the use of new technolog  
build ties with other students from eTwinning Europ
