LANGSTON JAMES HUGHES

Hi guys!

Here is another assignment. This is really hard.

But you are great students ... aren't you?

I want you to create a lesson about Langston James Hughes and his poem "I, too, sing America".

First of all here is an example made by me for Gandhi.

<https://www.goconqr.com/en-US/p/3127249-a-les...>

You can use it to understand what you can do with this wonderful app "Goconqr".

These are the steps to follow:

1. Register on Goconqr <https://www.goconqr.com/> - signup
2. After registration click on "CREATE" at the top of the page and choose what you want to create.

You can create

- a mindmap
- a quiz
- flashcards

- a slide set
- a note

You can find examples of everything in Gandhi.

When you create the different resources, always remember to insert a title, a tag and a description at the top of the page on the left. Then click on the button at the top of the page on the right illustrating a cloud (GoConqr library) and choose WorldWideWeb.

Here is my suggestion: create first a mindmap, a slide set, a quiz, a set of flashcards.

Then create a note, with the text of the poem and include all the other resources (mindmap, quiz, flashcards, slide set) - "insert clipping" > "resource embed" or "resource popup"

You can also insert images or media (video).

When everything is ready you can copy and paste the generated link in Edmodo.

You can find the link by clicking on the "actions" icon (it's a yellow folder on the left), choose "post", copy the URL and paste it in Edmodo.

Good luck!!!!

THE INDUSTRIAL REVOLUTION, CHARLES DICKENS AND OLIVER TWIST

Hi guys!

Here is another assignment.

I want you to create a glog about the industrial revolution, Charles Dickens and Oliver Twist.

Here is the scheme I suggest:

You can create different boxes for different themes:

The industrial revolution

- What – a period of great changes
- When – from the 18th ...
- Where – it began in the United Kingdom ...
- Consequences – the industrial revolution had a lot of effects (here talk about the conditions in the new industrial cities and the life of workers in factories and shallows)

Victorian writers

- Victorian writers did not like the bad effects of industrial revolution, so they decided to become spokesmen of this age
- They chose the novel because

Charles Dickens

- Who – one of the greatest English novelists who wrote ... / a comic writer
- What – he wrote
- Why – an unhappy childhood
- How – he chose the novel because ...

Oliver Twist

- What – a sentimental novel about ... / the story of an orphan ... (plot)
- Where – the setting is the ...
- Why – he wanted to describe ...
- Who – Oliver Twist becomes the symbol of ...

These are the steps to follow:

1. Register on Glogster – “go to edu version”
2. Create new glog (poster)
3. Choose a template
4. Insert contents
5. Save
6. Insert the necessary information (it should be “public”)
7. Save, preview, copy and paste the link.

That’s all!!!

You must feel absolutely free to create what you want. I will appreciate creativity and innovation.

Here is my personal work provided as example

Good luck!!!!
