Global Junior Challenge

Projects to share the future

Perfect-Edmondo Fab Coding Scratch [1] is a project entered by Prof. **Rosa Marincola** from IIS **Marconi-Guarasci** [2] in Rogliano (Cosenza) in the **Global Junior Challenge** [3].

The project employs free resources such as Scratch for Second Life and edMondo, a virtual on-line 3D world, for an immersive didactic activities lab.

This year, the project was twinned on-line with a school in Serbia.
