PROJECTS APPLICATIONS GJC 2019

GJC 2019 for quality education for all

The 2019 edition can be attended by organizations, associations, companies, universities, research centers, private citizens, etc. that have implemented a project that uses technologies in an innovative way "to ensure inclusive and equitable quality education and promote lifelong learning opportunities for all" (Objective 4 of the Agenda 2030 for the Sustainable Development). The categories in which one or more projects can be presented are:

- Education up to 10 years
- Education up to 15 years
- Education up to 18 years
- Education up to 29 years
- Inclusion of young people in the work field

The application is presented via the **ONLINE FORM** ^[1]

The deadline for submitting a project is the **10th November, 2019**

Only projects that are currently implemented or completed, not project ideas, are eligible to participate in the competition.

The more information is provided, the easier will be the project evaluation for the jury.

ATTENTION: it is preferable not to fill in the form using copy / paste from word processing programs to avoid problems of storing some characters in the database or any error messages.
