Hocmai.vn - Online learning platform

Nome dell'ente che lo ha realizzato /ORGANIZATION/INSTITUTE PRESENTING THE EDUCATION
PROJECT: *:
Regione/Region: Asia
Paese/ Country: Vietnam
Città/ City: Hanoi
Descrizione del progetto/Describe the project : We realise that Vietnamese students face three comm
more access to qualified teachers; students are not p
traditional classes ; and students are not familiar with
purposes. For the betterment of young generations' fc
platform named Hocmai.vn, with the aim of promoting
and contributing to the sustainable development of V
platform Hocmai.vn is a management and organizatic
learning activities. Hocmai.vn allows teachers to desi
online courses, while ensuring that all students in cla
quality teachers and receive suitable personal learnir
enhance their learning abilities and overcome the fea
assessments. Hocmai.vn digitizes educational conter
test banks for assessing learners, free online library,
and community connections. Those aforementioned c
students' study habits. Hocmai.vn uses adaptive learr
style of every student, as per the pace, size and style
knowledge via multimedia lessons compiled and taug
through exercises and online question banks attache
answered by specialized advisors through a multi-cha
exchange knowledge with other students accessing H
online testing and exam system. As of July 2019, Hoc
programs, nearly 1,200 courses with more than 35,00
lessons); an adaptive testing system with over 200,00
updated; and a free e-library with nearly 10,000 learn
month.Launched in 2007, hocmai.vn is the first move
and ASEAN region. Today 3.8 million students have

considered as 'younger' compared to the previous 2 groups, as Vietnamese have just paid more attention to such fields recently. Hocmai.vn provides online education programs for students from grades 1 to 12 for all subjects following Vietnamese curriculum and education program. As of July 2019, Hocmai.vn is the online learning platform with the largest number of registered students in Vietnam with more than 3.8 million users with new users registered annually from 400 to 500 thousands new users. There is about 5% of Vietnamese students have registered and studied with Hocmai.vn to date. According to data from Similar Web in 2018, Hocmai.vn is the 176th most visited website in the world. Hocmai.vn directly manages HOCMAI learning forum - the largest learning social network for students in the ASEAN region with more than 2.5 million members and 3 million visits per month.
