

The image displays a comprehensive grid of 170 cards, each dedicated to a specific Sustainable Development Goal (SDG) and a student's contribution. The cards are organized into 17 columns, one for each SDG, and 10 rows. Each card features the SDG icon and number, a title, and a short paragraph describing the student's project or idea. The background of the page is a photograph of a large group of people, likely the class members, sitting together.
