Nome dell'ente che lo ha realizzato /ORGANIZATION/INSTITUTE PRESENTING THE Pärnu Koidula PROJECT: *:

Descrizione del progetto/Describe the project : In this eTwinning project, the students will use Virtual Reality to explore their own and other countries, getting to know differences and similarities. Students from Norway and Estonia collaborate using eTwinning. The project aims: Undertake online collaboration Develop digital skills in English with students who study English as a second language Explore different aspects of European culture Interaction among students who do not have the first language and they lack basic and natural language skills. In the project the students from Estonia and Norway explore virtual reality videos for introducing their country, school etc (project plan: <https://twinspace.etwinning.net/45713/pages/page/39> - presentation about themselves using webwall - Padlet.com (Rinda: <https://twinspace.etwinning.net/45713/pages/page/34> - presentation <https://twinspace.etwinning.net/45713/pages/page/33> - presentation <https://twinspace.etwinning.net/45713/pages/page/39> - presentation <https://twinspace.etwinning.net/45713/pages/page/28> - presentation) and to knowing how to manage with them. In collaboration they upload photos and videos and discussing about positive and negative aspects of Reality in learning process. The final products uploaded on TwinSpace (<https://twinspace.etwinning.net/45713/pa>

In che modo il progetto usa le tecnologie in modo innovativo/Use of technologies ...: In our project we used a Gear camera, a 360° camera, however we did not know differences in VR possibilities (tizzy etc).

Indicare gli elementi di innovazione del progetto:/ What are the technological aspects

of the project?: Innovation aspects: 1. the students study to use 360 camera through the Samsung Gear VR 2. the student study how to edit 360 pictures 3. they had collaboration skills 4. broadened horizons in VR 5. discussed the use of VR in the lesson 6. collaborated on creating 360 degree photos to showcase their homeland

Quali sono gli aspetti tecnologici del progetto?/What are the technological aspects of the project?: 1. aspect - Technology used: using applications, websites where the students can share good and work

Con quanti utenti interagisce il progetto?/How many users does the project interact with? : In project collaboration with Norway

Di quali mezzi o canali si avvale il progetto?/Which media or channels does the project use?: This is eTwinning (etc) - http://www.etwinning.net

Il progetto è già stato replicato? /Has the project already been replicated? : This project have national replicates

Quali sono le aspettative future?/What are future expectations?: The idea is to continue creating VR projects

Durata progetto/project duration:

2 years

Tipologia dell'ente/Kind of organization:

Gymnasium

Fondazione Mondo Digitale
Via del Quadraro, 102 / 00174 - Roma (Italia)
