approaches require the use of online tools that becor
both students and teachers. Within the Europeana D
countries are involved. In Romania 10 teachers and a
role in this team is to encourage teachers from Roma
within the course hours by offering them models of or
platform @ Europeana.eu. For example, teachers ca
learning scenarios, including Europeana resources. I
resources are implemented in classes by teachers us
colleagues. The platform @ Europeana.eu offers mill
turn the course hours into a virtual journey in the histe
platform that offers free access to over 57 million rese
archives and libraries. The purpose of the platform is
heritage. https://teachwitheuropeana.eun.org/about-te
creativity of the project: Both students and teachers o
million works of art, artifacts, books, video and audio
/ impact of the activity at the student level: The issues
homophobia, protecting the rights of students and co
Semitism. Link to didactic projects implemented at th
