The image shows a large interactive whiteboard displaying the ActivInspire software interface. The screen is divided into a grid. A large orange shape with a scalloped bottom edge is drawn in the upper right quadrant. A hand-drawn cloud shape is visible in the lower left quadrant. The software interface includes a top menu bar with 'File', 'Modifica', 'Visualizza', 'Inserisci', and 'Strumenti'. A toolbar on the right side contains various drawing and editing tools. At the bottom, there is a taskbar with icons for a trash can, a smiley face, a refresh button, and a magnifying glass. The date and time '14:06 09/04/2019' are displayed in the bottom right corner. The whiteboard is mounted on a wall, and a person is standing in front of it, interacting with the screen.
